

Remarks/Arguments

A Notice of Non-Compliant Amendment was mailed to Applicant's representative on October 24, 2006. The Notice indicates that a complete listing of the claims was not present in Applicant's response filed on October 12, 2006. It appears that Applicant's response inadvertently failed to include a complete listing of the claims (*i.e.*, claims 10-34 were not identified as "cancelled").

The above listing of the claims now identifies claims 10-34 as being cancelled. Applicant believes that this is a complete response to the Notice, and therefore requests that response filed October 12, 2006 be considered.

No fees are believed to be due for filing this paper. However, should any additional fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason relating to the enclosed materials, the Commissioner is authorized to deduct said fees from or to Fulbright & Jaworski Deposit Account No. 50-1212/GOUD:031US.

The Examiner is invited to contact the undersigned Attorney at (512) 536-3030 with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,
